My name is Yoo Nanhi.
I'm a second-year in
Mansa high school.
I'm also the president of
the drama club.
I'll also tell you in advance
that I've been feeling really
moody recently.

So please try to stay out of my way.
Jang Gookyoung! What are you doing?!
How can you be talking so freely to those girls when the performance is next week?!
I can't take responsibility for what I say in this mood
AH... WE COULDN'T UNDERSTAND THIS QUESTION, SO HE WAS EXPLAINING IT TO US.
Are you that free? Are you their tutor? Have you finished balancing the account book and handed it in?
MM
What about inspecting the set?!!
JUST DID IT.
THE REPAIR SHOP SAID THEY'LL SEND SOMEONE OVER.
Then...then did you check whether everyone knows their lines?!
The repairs for long pins?!

THAT'S YOUR JOB AS THE PRESIDENT
uen
So you did a great job!!
SHOUT
SORRY
You girls not in the acting club! Don't hang around here doing nothing!

What?
Don't say things that don't make sense!
I like Jang Gookyoung?

Jang Gookyoung?
AND YOU'VE BECOME QUITE TENSE LATELY

PEEK

Jang Goo-kyoung
Yoo Nan Hi
I mean, is it okay to do stuff like this right away?
Mind is currently in space

O YOU, THE GROOM, SWEAR THAT YOU WILL TAKE THIS BRIDE AS YOUR WIFE, TO LOVE AND RESPECT AS LONG AS YOU LIVE?
YES
What a wretched world. High-school marriages...
AND DO YOU, THE BRIDE, SWEAR TO TAKE THIS GROOM AS YOUR HUSBAND, TO LOVE AND ASSIST AS LONG AS YOU LIVE?

...But who cares.
Yes!
Good morning! Did you sleep well?
RIGID
Am I still dreaming?
Jang Gookyoung is now my only darling.

Good Day to all readers!

Firstly, we at Ochibichan-Scan would love to thank you for supporting us and reading this lovely chapter scanlated by us. Nothing beats knowing that people enjoy reading what we've scanlated!

HOWEVER! You will notice, the scan quality isn't as high as our usual standard *gasp* This is the best our editors (yes editorS) could do to change LQ scans to these slight MQ scans, and still it's not up to our minimum standard. Editing these scans also take up A LOT of time just to make them presentable-
a.k.a. ***slower releases***!

Thus, Ochibichan-Scan is now requesting for HQ scan donations for volume 1 of this manwha! If you're interested in *scanning* this manwha for us, here are some following guidelines:

- Scan with a minimum resolution of 300
- Single by single pages MUST have at least 750 in width and 1200 in height.
- Double by double pages MUST have at least 1600 in width and 1300 in height, if scans have gutter shadows, please make sure they DO NOT cover almost 1/2 of the page.
- It can be in any language (Original Korean or re-published language)

Please send some samples of your scans to our group e-mail.
ochibichan-scan@gmail.com

If you have any other questions regarding the guidelines or basically anything else, please feel free to e-mail us too

We really hope someone would be able to fulfill our request!

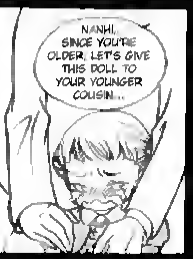
Then one day, she had a fight with one of her younger cousins about that doll...

In the end, we stepped in and told her to give the doll to her younger cousin...



"If I can't have the doll, then no one can...!"

Be My Sweet Darling

Do-chan's Rants

* When I was writing the synopsis for this story, I thought "Jang Gookyoung is a good name" However by some weird coincidence, on April Fool's Day, I heard of the real Jang Gookyoung's death!
Gah So the name is like a sad tribute to the late Jang Gookyoung
Anyway, it's a disappointment I used to love Jang Gookyoung when I was young"

└ Yoo Nanhi's name is '[Yoonanhi] fussy'
(Sorry about naming you roughly')

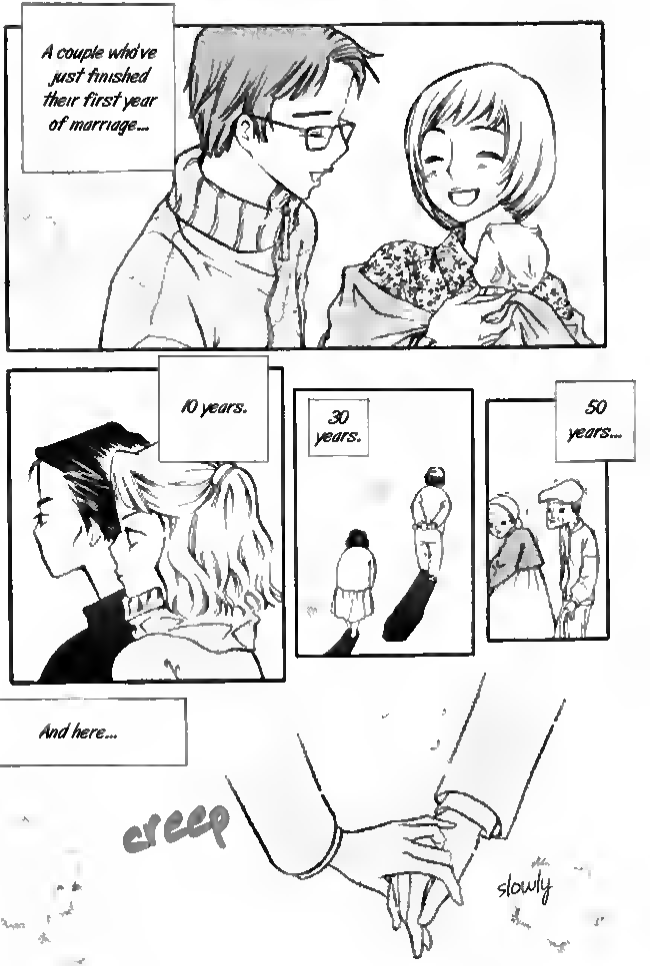
*YOO NAN MEANS FUSSY. FASTIDIOUSLY. ETC. A PUN OF THE NAME.

* "Sweet Darling's" motive/story came from, strangely enough, watching a truth** game
It wasn't a 'high school married couple' like here, but 'real married teens' I thought the idea of them being married when they were in high school a fun idea. (I is it not fun? TT)

└ The title was 'Reporter Odori's Naming Sense"

* Really, having a 116 page omnibus I've found out that it's not something anyone can do. To fit a chapter into 116 pages my head spins and my stomach aches I've tried my best in this first volume but I feel like, 'is this it?'
I'm worried about the future the future cough cough
I know that there are lots that need improvement; but I'll be thankful if you can read this happily' (And please don't be harsh in your reviews' ;_;)
Thank you for buying this flimsy volume'
I'll see you in the second volume!

**TRUTH GAME IS A SHOW IN KOREA WHERE THEY SHOW ONE PERSON WITH A SPECIAL OR UNUSUAL JOB FEAT. ETC - SUCH AS 'BEING MARRIED' WHEN STILL IN THEIR TEENS, A BREAK-DANCING 40 YEAR OLD TEACHER, FATHER AND SON THAT LOOK LIKE BROTHERS ETC- AND HAVE 6 OTHER NORMAL PEOPLE COME ON AND ACT LIKE THEY HAVE THAT SPECIAL FEAT. THE CONTESTANTS (CELEBRITIES) HAVE TO GUESS WHO OUT OF THE 7, ACTUALLY HAS THE PAY'S SPECIAL FEAT



A couple who've just finished their first year of marriage...
10 years.
30 years.
50 years...
And here...
creep
slowly

DINGLINGLINGLING
PHT
Stop!
Hehe
HEY! THERE'S THE TRAIN!
DINGLINGLINGLING
THE TRAIN IS NOW ARRIVING
...we have a couple just finishing 2 months of marriage, going off to school.

Yeah.
SFX GLOOM

Stalker, huh... That might be true...
If the other person doesn't care either way, it feels like I'm in a one-man show...

PFT
Hm— Just as I thought.

HOW ABOUT THIS IDEA?
WHAT?! WHAT, WHAT?!

'IF YOU KISS YOUR LOVER ON A BOAT, THEN YOUR LOVE WILL LAST FOREVER...'
or so I read in a comic
Ooh

Alright! I'll give it a try!
Um... you do know that we have exams soon, right?
Why boats? We could do this after exams, you know.
Fine. That's all fine. Let's just say it is all fine.
sigh
Shut up! We're here anyway, so can't we just have fun?!
And don't talk to me about exams while we're here!
But why a duck boat?!
So what! You know how fun this is?
And it's a swan! Not a duck!

Those are fun too
CAN'T WE JUST TAKE A NORMAL BOAT?
